# 2017 Tournament Package

(More copies available at [www.belleviewgolf.ca](http://www.belleviewgolf.ca))

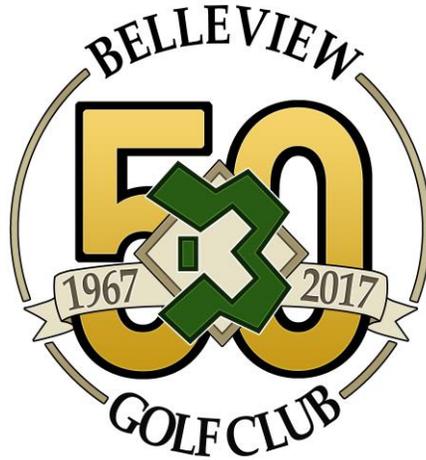

Belleview Golf Club hosts a wide variety of tournaments each year. We host many group outings among friends, family and coworkers. We also host a wide range of fundraising golf tournaments for local sport teams, schools, and charities.

Many groups enjoy golf tournaments because they revolve around an outdoor activity that allows you to socialize as well as enjoy a little competition. Golf tournaments also prove to be a great way to fundraise due to the fact that in a single day they can produce thousands of dollars towards a known cause.

## **Example:**

A Morning Shot Gun in June would cost \$65 (*HST and gratuities included*) for 18 holes, a cart and a steak dinner. If you charged \$100 per player, then \$35 of that ticket would be going towards your known cause. So, if you filled your tournament to 144 golfers you would make \$5040. This does not include any extra money you will have made through your putting green contest, PLINKO game, longest drive and closest to the pin competitions.

So whether you are looking to have a group outing in 2017 or you are interested in raising money for a particular group or charity, a golf tournament at Belleview Golf Club just might be the thing to do!

## TOURNAMENT PRICING

Bellevue gives discounted rates to all tournaments. Our weekday price is Monday to Friday and our weekend price is for Saturday, Sunday and Holidays

**WEEKDAY**  
(18 Holes with a Cart)

**\$27.50** (+ HST)

**WEEKEND**  
(18 Holes with a Cart)

*as low as* **\$33** (+ HST)

**NOTE:** Tournament prices on weekends depend on time of year, size of tournament and time of day. This is why it reads “as low as.” Please see below for one example of how to get this low price for your weekend tournament.

### Example:

1. As mentioned in the example on the first page, a **Morning** Shot Gun in the month of June will cost \$65 - \$23 steak dinner = \$42 (*HST included*) for 18 holes with a cart. But if this same tournament chose to go in the **Afternoon**, it would now cost that tournament only \$33 (+ *HST*) = \$37 for 18 holes with a cart.

This would be a savings of \$5 per player and would add over \$700 in revenue to go towards your known cause. Tournaments that choose to take place during our spring/fall rates also get this lower price regardless of time of day. So the choice is yours, but in either case, we at Bellevue are still confident that we offer the best “bang for your buck” pricing in the county, for both morning and afternoon!

## **SPECIAL GAMES FOR TOURNAMENTS**

There are many games that tournaments can play among themselves for either a prize or a 50/50 draw. The most common being closest to the pin, longest drive, PLINKO and a putting green contest. If a certain game would like to be played in the tournament, just let us know and we will set it up for you or have the appropriate materials available the day of the tournament.

## HOW TO GET STARTED

- Sport teams and clubs have the most success putting on a golf tournament for the first time due to the fact that there are 15-30 people putting on the tournament as oppose to just one. If interested in putting a golf tournament together, find the right people to help.
- Once the appropriate helpers are found, select a suitable date for your outing as well as an alternative date.
- You should also determine what time of day you wish to tee off at as well as the approximate number of golfers who will play.
- Next, determine what food you would like to eat and whether or not you wish to have beer and/or hotdog tickets worked into the price.
- Once these questions are answered call Belleview to determine if the date and time chosen is open.

Once a date is booked.....

- Determine what price you would like to charge for your event. Most fundraisers at Belleview charge between \$90 and \$125 per player depending on the time of year, the total cost of the event and how much money would like to be raised.
- Once a price is determined then flyers and tickets need to be made to help advertise the event and give out to participating players. (**NOTE:** *Always collect the money up front, this ensures that you won't be held accountable for those who did not show up.*)
- Most tournaments like to give trophies/prizes to the winners of the tournament as well as door prizes for those who attended. Know that many businesses will donate prizes for golf tournaments.
- To generate even more revenue, you can also do tee sign advertising for local businesses. Most tournaments will charge between \$50 to \$100 per sign.

Advice for Annual Events

- If this tournament is going to be an annual event, don't forget to create a contact list by collecting phone numbers/email addresses from those who participated in your tournament. This will help you grow your tournament year after year.
